2025 5th International Workshop on Image Processing (IWIP 2025)

2025 5th International Workshop on Image Processing (IWIP 2025) will be held during **June 13-15, 2025** in **Singapore**, as workshop of "IWPR 2025", which will be **sponsored by Sensors and Systems Society of Singapore, hosted in Newcastle Australia Institute of Higher Education, Singapore.**

The aim of IWIP 2025 is to present the latest research and results of scientists (preferred students, PhD Students, and post-doc scientist) related to Knowledge Engineering topics. This conference provides opportunities for the different areas delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration. We hope that the conference results constituted significant contribution to the knowledge in these up to date scientific field.

Call for Papers

Image & Video Analysis and Segmentation; Image & Video Coding and Transmission; Image & Video Processing; Image & Video Storage, Retrieval, and Authentication; Signal Identification; Image and Video Processing Architecture; Image Processing; 3D Modeling and Visualization; Array Signal Processing; Biomedical and Biological Image Processing; Biometrics; Computational Imaging; Deep Learning for Images and Video; Detection, Recognition, and Classification; Digital Signal Processing; Document Recognition; Face Recognition; Higher Order Statistical Analysis; Knowledge Representation and High-Level Vision; Pattern recognition and analysis; Video Surveillance and Monitoring, etc.
